Responsive to the Examiner's requirement that Figures 1-4b should be designated by a legend such as --Prior Art--, corrected drawings in compliance with 37 CFR 1.121(d) are submitted herewith.

Responsive to the Examiner's determination that the drawings fail to comply with 37 CFR 1.84(p)(4), Applicants propose amending drawing Figures 15, as set forth below.

Regarding Figure 1, Applicants propose changing the identifier "100" to instead be "101" so as to avoid confusion.

Applicants respectfully request approval.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Ron O. Neerings".
